

REMARKS

By this Office Action, the Examiner has required restriction to one of the following inventions under 35 U.S.C. '121:

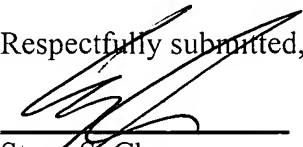

- Group I. Claims 1-7 of Figure 1-11
- Group II. Claims 8-13 of Figure 12-19
- Group III. Claims 14-16 of Figure 21-25
- Group IV. Claims 17 of Figure 26

Responsive to the Requirement for restriction, Applicants elect to prosecute the invention of Group III, with traverse, Claims 14-17. Claim 17 has been amended to further dependent on claim 14, thus now belongs to Group III.

No fees are believed to be necessitated by the foregoing Response. However, should this be erroneous, authorization is hereby given to charge Deposit Account No. 502-470 for any underpayment, or credit any overages.

In view of the above, withdrawal of the Requirement for the Restriction is requested, and an early action on the merits of the Claims is courteously solicited.

Respectfully submitted,

\_\_\_\_\_
